

Welcome to Smallpdf

Ready to take document management to the next level?

1

Digital Documents—All In One Place

With the new Smallpdf experience, you can freely upload, organize, and share digital documents. When you enable the [‘Storage’ option](#), we’ll also store all processed files here.

2

Enhance Documents in One Click

When you right-click on a file, we’ll present you with an array of options to convert, compress, or modify it.

3

Access Files Anytime, Anywhere

You can access files stored on Smallpdf from your computer, phone, or tablet. We’ll also sync files from the [Smallpdf Mobile App](#) to our online portal

4

Collaborate With Others

Forget mundane administrative tasks. With Smallpdf, you can request e-signatures, send large files, or even enable the [Smallpdf G Suite App](#) for your entire organization.

Week 22

Name: Muhammed Shaheem K V

Mobile: 9995092251

Technical Workouts

1. Complete your project according to the instructions.

Write a short description about this task

Learning things by doing is really interesting . Especially when designing the frontend part.It gives more interest in doing things. At first when i get error i didn't had the patience to read the error message and understand it . When I try to add more features I began to get more error messages. At first I struggled later it helped to improve my debugging skills.

Miscellaneous Workouts

1. Practice typing for at least one hour each day. Finish as many chapters as possible as you can. Don't spend more than an hour each day.
2. Prepare a topic for the tech seminar. Record and upload it on youtube as an unlisted video.
3. Conduct a Feedback session by the end of this week.
4. Prepare your progress video for the last week. Record and upload it on youtube as an unlisted video.

Write a short description about this task

Typing club is really a challenging platform. I need to invest more time in typing hereafter.

To finish the chapters . I have reached the limits . Now I need to push my limits.

Write a short description about this task

In the initial days of the week I had no idea about the working of the redux and how reducer functions in redux toolkit work. When I realised it when i write each code I began to understand the usage of each code. It give meaning to every code that i write. Now I understand better.
